

# Campus Portal – Schedule Tab

The Campus Portal schedule tab features a tabular view of your student’s day. Course Name, Teachers Name and Room Number are all available here.

Clicking on the Teacher’s Name will launch your email client with a new email addressed to the teacher.

In the event that your student’s teacher will be out (long term), the new teacher’s name and email address will be added.

If your student drops, adds or changes classes, that will be reflected here as well.
