

Capital Project Vote 2016

Keeping Our Schools Safe & Secure

- \$32 million plan addresses improvements to all schools
- A tax neutral capital project – no additional impact on local property taxes
- Funded by NYS Building Aid, Capital Reserves, current taxes and debt service fund appropriation

VOTE
THURSDAY, DEC. 15
6 A.M. TO 9 P.M.

Safety & Security

- More secure main school entrances that restrict unauthorized visitor access to the rest of the buildings.
- New playgrounds at Northwood, Quest and Village Elementary Schools that replace 11-16 year old equipment and address Americans with Disabilities Act (ADA) compliance..
- Pavement, sidewalk and curb replacement at Hilton High School and Northwood Elementary School.

Energy Efficiency & Facility Improvements

- Kitchen equipment at High School, Merton Williams Middle School and Quest that replaces 44-66 year old equipment.
- Heating, Ventilation and Air Conditioning (HVAC), roof and electrical work at the High School, Merton Williams, Northwood and Village that was identified in the building condition survey required by New York State.
- Classroom renovations at High School and Village.
- Renovations to the varsity softball field, locker and team rooms; tennis court and fencing replacement; HVAC improvements to pool spectator area.

One proposition on the ballot:

- Authorizes the district to make capital improvements in the amount of \$32,250,000 and use \$1.5 million from the Capital Reserve Fund.

Parma, Clarkson and Hamlin residents vote at Hilton High School, 400 East Ave., Hilton.
